

Saint Cosme - "Condrieu" AOP Condrieu - white - 2020

Saint Cosme – 2020 Condrieu

100% Viognier. Granite sand.

Slow, low-pressure pressing. Eight months' ageing.

Ageing: 40% in casks used for one wine – 30% in casks used for two wines – 40% in casks used for three wines.

Fennel, liquorice, apricot, preserved lemon.

Viognier is voluptuous, it is naturally rounded. In the granite soils of Condrieu, it is reincarnated and takes on a more graceful, slender and sleek persona. Its narrative is more sophisticated, but more importantly, its charm is moving poetry.

'Condrieu allegory', Louis Barruol, ink, 2022."
