

# LITTLE JAMES' BASKET PRESS

## Saint Cosme - "Little James Basket Press" Vin de Pays d'Oc - white - 2021

"White Little James' Basket Press – 2021 Pays d'Oc

30% Viognier / 70% Sauvignon.  
Cold fermentation  
Ageing in tanks.

Lemon, grapefruit, boxwood, elderflower, mango.

The losses incurred with Viognier due to the 2021 frost were tremendous. The result is that the 2021 white Little James contains a high proportion of Sauvignon. With its explosive aromatics, it makes the perfect summer appetiser, and pairs with gilled fish or seafood.

'Little James' lemon drink', Louis Barruol, ink, 2022

Forge Cellars  
2020 Riesling Classique – Seneca Lake

The 21 different named vineyards at Forge Cellars are farmed and fermented separately using wild ferments, in used casks and in tanks.  
Aged for 9 months on fine lees.  
Schist, shale clay, slate and granite.  
Licorice, salinity, tropical fruits, preserved lemon.

Rainfall and the cold are an integral part of daily life in the Lakes, but in 2020, the weather was surprisingly

favourable. Sunshine without overbearing heat ripened the Rieslings and produced white wines showing pinpoint precision. With substantial focus for the Riesling variety, the 2020s offer a faithful rendition of the complex nature of this mecca for fine wines.

'The shores of Seneca Lake', Kristina Rose, ink, 2021"
