CHÂTEAU DE SAINT COSME Gigondas Le Claux 2007 – 98 points

“One of the finest wines in the vintage for the Southern Rhône, the 2007 Gigondas le Claux is a perfumed, complex and straight-up gorgeous wine any way you look at it. Utterly seamless, with complex garrigue, spring flowers, dry aged beef, black raspberries and black currant aromas and flavors, this beauty is full-bodied, pure and incredibly precise, yet at the same time, it's layered, voluptuous and hedonistic. It still has ample tannin and isn't yet fully mature, but I'd happily drink bottles anytime over the coming decade or more.”

Smoky, with an exotic roasted fig edge, along with charred mesquite, sage and blackberry paste notes. Shows a bright floral note as well, with a racy underpinning that carries all the weight effortlessly and keeps bringing you back for more. Drink now through 2022. 365 cases made. –JM
