

Les Deux Albion rouge - Côtes du Rhône 2011

Wine advocate

0 points - The 2011 Cotes du Rhone Les Deux Albion is excellent and shows how strong the 2011s are from this estate. Medium-bodied, layered and textured, with classic southern Rhone notes of black raspberry, pepper, herbs de Provence, olive and spice (not far from what you'd encounter walking through street market in the south of France), it is a delicious, beautifully drinkable effort that should continue to shine through 2019.
